25	26	27	28	29	30	31	29	30						27	28	29	30	31		

Highlighted Saturdays are lesson days. Oct. 17, 24 & 31; Nov. 7, 14, 21 & 28; Dec. 5, 12 & 19, 2026. **10 lessons.**

BEGINNER PROGRAM

This is an introductory program for beginner and first-time skaters. It is designed for children with little to no skating experience, with a focus on becoming comfortable on the ice and learning basic balance, movement and beginning strides in a fun, supportive, one-on-one environment.

It is not an advanced skating, hockey or figure skating program.

WHAT TO WEAR / EQUIPMENT

Helmet: A CSA-approved hockey helmet with a full face cage is required. Bike helmets and ski helmets are not permitted. Skaters without the required helmet will not be able to participate.

Skates: Supportive hockey or figure skates are required. Bob-skates that strap onto shoes are not permitted.

Clothing: Dress warmly and bring gloves. Slush pants or snow pants are recommended. If wearing sweatpants, please bring a change of pants in case they get wet.

PARENT REMINDERS

Parents/guardians are not permitted on the ice.

Parents/guardians remain responsible for their child's behaviour and must remain available during the lesson. **Skaters who are disruptive, unsafe, or do not follow instructor directions may be removed from the ice.**

PLEASE GET YOUR SKATES SHARPENED PRIOR TO COMING ONTO THE ICE.

PLEASE CHECK IN WITH RECEPTION UPON ARRIVAL BEFORE EACH CLASS.

Please keep this calendar for reference throughout the session. We look forward to seeing your skater on the ice!
